Hello.

Neighbourhood Plan for Horam Parish

I would like to add my support for the Neighbourhood Plan for Horam Parish which I am very interested in as I have lived in Horam for 37 years, bringing up our family here and running our own business, so have been very involved in village life in many ways. I took part in the consultation held at the Village Hall and spoke to many residents and neighbours of all ages there who shared my views. My thoughts on how I want our village to be in the future are reflected in this Neighbourhood Plan and I support it in every way. I hope that my husband and I will remain living in Horam in to our old age and that our adult children will be able to benefit from living in a village environment with any building that takes place being carefully managed to protect the village feel; and for the traffic, which is already a considerable problem (we live on the main A267) not to dominate the area.

Our surrounding countryside is of huge importance to our family and for the well being of residents of all ages. I particularly agree with the Neighbourhood Plan as far as building and development in our village. Please help Horam to remain the village it is by not building excessively. Any new homes should be for local people at affordable prices.

Please add my views.

Kind regards

Daryl Patterson
