Dear Mr Reed

I am writing to follow up on my previous letter dated 5 February 2025 (attached for your ease of reference), regarding the concerns raised by the Southern Water Local Planning Authority Stakeholder Group. As the chair of this group, which represents over 20 local planning authorities and approximately 4 million residents, I am keen to receive an acknowledgment or response to the issues raised.

We believe that these matters are of significant importance to our communities and the environment. Your attention and response to our concerns would be greatly appreciated.

Yours sincerely
