2. Comments on the Neighbourhood Plan

Please use the space below to tell us your comments on the Neighbourhood Plan and / or supporting documents. It would be helpful if you can provide reasons and evidence for your comments. Please use additional sheets if necessary.

- Development on Chiddingly Road is continoously not considering the archeic drainage on the road. It is already at its limit. New approvals need to be rooting their water elsewhere. Local residents have sewage leaks - its 2024, not the middle ages!!
- Local amenitites cannot support the level of development. Maynards Green school is at capacity. Cross in Hand is too far away for those that do not drive.
- Consider suitability of sites. My own home never should have been approved. The council knew the site had a history of water logging. Please be more careful.
- Building hundreds of houses / caravans nr Chiddingly Road Gas site is a terrible idea.
- Let Ashier Burman do what he needs to with the Garland pub. The site needs redevelopment.
- Hedgerows aren't always a great idea. Reference the coppice + failure to establish.
