2. Comments on the Neighbourhood Plan

Please use the space below to tell us your comments on the Neighbourhood Plan and / or supporting documents. It would be helpful if you can provide reasons and evidence for your comments. Please use additional sheets if necessary.

Further to the proposed plans under HOR 1, HOR 2, HOR 3, HOR 4, HOR 5 and HOR 6. As a resident of HORAM, living off HOREBEECH LANE, in WOODLAND VIEW, RESIDENTIAL PARK. I Strongly object to the proposed building development of over 700 houses. The access from the development would be either HOREBEECH LANE and / or the main road near the CREMATORIUM / COGGERS CROSS, both of these places cannot cope with the volume of traffic that this development would generate, as there is already lots of traffic using this road, and HOREBEECH LANE is as the name suggests, a LANE. It already has high volume of traffic from the existing ROSEMEAD ESTATE, and the state of HOREBEECH LANE is shocking with numerous pot holes and uneven surfaces. And will be in even more of a state as the planning permission for more houses opposite ROSEMEAD has now been granted. The ROSEMEAD ESTATE could not sell all the houses there, as it is, and has lead to people from other areas renting them, and apparently there is a lot of anti-social behaviour, and we have no Police Presence.

More pages overleaf

② There is also ongoing problems with the Water and Sewage at the new estate (ROSEMEAD), which has been well documented everywhere, and has yet to be resolved, without putting anymore extra strain on the already struggling infrastructure, by building more houses.

Also HORAM is a village, or was, we are lucky enough to have a butchers, chemist, Fishmongers, Dentist etc, but if the planning for the houses goes ahead, the small village couldn't cope with the extra volume of traffic or extra people, and if the developers said they would build shops, commercial units etc in their planning, this would ruin our high street.

Also HORAM, especially HOREBEECH LANE, is supposed to be an area that doesn't want light pollution, and wants to be environmentally friendly, hence no streetlights, so we are presuming that if planning was granted, that the housing estates would not be having any streetlights, as this goes against the council green policy ?? / Policies ?? There are no doctors or dentist appointments now, so will only get worse with more houses, and no school spaces available as local schools are already over subscribed.

Also Wildlife is in abundance here, there are BADGERS (who are protected) DEER, FOXES, BAZZARDS and various types of BIRDS, it would destroy their habitat.

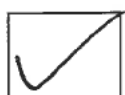

③ Also the residential park where we live, was designed for older people, to enjoy a quiet, peaceful retirement, without being surrounded by development that is not in keeping with the area. We presume it will be 4/5 bedroom houses and ^(family) for young people, if any smaller affordable housing, to get them on the housing ladder.

The development will over look us from one side and back onto us on another.

Is there a possibility to only let properties the same as we build here? Bungalows or lodges, as in keeping with the area? and height that is already here?

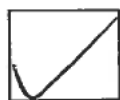

Also it seems that MORAM is being made a Scapegoat for the government quota of properties ~~needed~~ needing to be built, but what about WALTON, VINES CROSS, RUSHLAKE GREEN, and MAYFIELD, to name a few, there doesn't seem to be planning put forward to build anything in these areas, we wonder why?!!

3. Examination Participation (please tick if appropriate)

I would like to attend the examination in public, should it be deemed necessary by the appointed examiner.

4. Notification of Adoption (please tick if appropriate)

I would like to be notified of the local planning authority's decision on the adoption of the Horam Neighbourhood Plan (under Regulation 19 of the Neighbourhood Planning (General) Regulations 2012(as amended)
