I am very happy with the Neighbourhood Plan,
the Section Economic Objectives is Excellent,
giving the feeling that everyone is considered
3.9 Objective 4, To promote a balance of social
mix & age distribution keeping the Community Spirit
the fact that rural character of Horam is
vital to us all, the greenness of the Parish
being considered, everyone needs the insects
& biodiversity, its how we all survive.
The Mental well being in the end will
save time & money for our NHS.
I thank those who took the time and
trouble to put together the plan which
if agreed could give us a very valued life
